VIV Europe 2010 Conference overview (tentative)
Wednesday April 21, 2010

TECHNICAL SESSIONS IN MEDIA PLAZA				
Room / Time	11.00 – 12.00	12.30 – 13.30	14.00 – 15.00	15.30 – 16.30
Flash (80 seats)	Chore-Time Europe B.V., The Netherlands (poultry) <i>"How to manage broilers/breeders from day 1 till production"</i> , by Jo Raedts	Session 18	Intervet/Schering-Plough Animal Health, The Netherlands (poultry) <i>"Broad protection against IB with the use of a vaccination program with Nobilis IB MA5 and Nobilis IB 4-91"</i> , by Dr Sjaak de Wit from Animal Health service, GD in Deventer	Lesaffre Feed Additives, France (pigs, calves/cattle) <i>"Identification of constraints for the use of probiotics in feed processing – possible solutions"</i> , by Cécile Sampsonis
Glow (80 seats)	Vitamex NV, Belgium (poultry) <i>"Poultry nutrition to manage gut health and egg (re)production"</i> , by Ir. Katrien Deschepper, Ir. Jan Vervloesem	Session 19	Intervet/Schering-Plough Animal Health, The Netherlands (pigs) <i>"Porcilis PCV – field trial reports one year after introduction"</i> , by M.R.T.M. Martens DVM	Session 27
Media Arena (55 seats)	Biotracer, Denmark (all species) <i>"Improved tracing of microbial contamination in the meat chain"</i> , by Jeffrey Skiby, Kieran Jordan, Declan Troy			

Program overview in Feed to meat chain

	Economical/policy subjects
	Industrial feed processing
	Feed ingredients/additives/raw materials
	Animal health
	Animal breeding
	Animal farm equipment

	Slaughtering
	Egg, meat processing
	Meat / dairy / egg products
	Subject covers various parts of the Meat Supply chain
